Doing Business with Malaysia

Find your ideal business partner in Malaysia – where reliability and quality are our strengths

Quality, consistency and competitive pricing; these are the hallmarks of Malaysia's export sector. Strategically located in the heart of South East Asia, Malaysia has a vibrant and open economy, a stable political environment and a highly capable workforce making it one of the most preferred countries to do business with today.

Being one of the **top trading nations** of the world, Malaysia's achievements have been largely due to a systematic and determined approach to developing **world-class manufacturers and service providers** within an environment that promotes effective and efficient business. The development of *world-class infrastructure, innovative and sound banking and financial systems and logistics* to rival the world's best provides a conducive environment for businesses to thrive.

Products
Over the years, Malaysia has attained an enviable record in the export of products and services and currently provides a wide range of high quality **products** including:

- Electrical and electronic products
- Chemicals & chemical products
- Furniture
- Machinery and equipment
- Automotive, parts and accessories
- Optical & scientific equipment
- Textiles and apparel
- Green and environmental friendly products

Malaysia is also a world leader in the export of palm oil, medical and household gloves, air conditioner and halal products.

Professional Services
In the past several years, Malaysia's **professional service** providers have also come to be widely sought in the areas of:

- Oil and gas
- Aerospace
- Construction
- Engineering
- Architecture
- Education
- Healthcare
- ICT
- Financial services

Today, Malaysian companies in these sectors operate around the world on a myriad of projects.

About MATRADE

As Malaysia's national export promotion agency, **Malaysia External Trade Development Corporation (MATRADE)** is responsible for assisting Malaysian companies to venture into the international market. MATRADE continues to highlight capable Malaysian companies on the international stage, emphasising on an international tagline:

#ChooseMalaysia

a term synonymous with *excellence, quality, reliability and trustworthiness.*

Driven by the vision of positioning Malaysia as a globally competitive trading nation, MATRADE assists Malaysian companies to establish their presence overseas through different promotional programmes, including:

MATRADE organises a number of international events in the country, designed to bring foreign buyers to Malaysia to meet domestic companies. Meetings to matchmake the companies are done through **International Sourcing Programmes (INSP)** where international buyers and local exporters get exposure on extensive business opportunities for them. This is beneficial for companies especially Small and Medium Enterprises (SME) to establish new contacts and expand their business globally.

Malaysia Export Exhibition Centre (MEEC) is a permanent display centre at MATRADE, showcasing Malaysian products and services. Business meetings are arranged for international buyers to meet with Malaysian companies featured at MEEC, making the centre an ideal one stop sourcing place in Malaysia.

MATRADE Portal provides extensive information to both foreign and local business communities, to enhance business prospects between them.
